Community Enrichment

In the counseling office we have a list of suggestions for community service/career connections. Remember community service is unpaid and not for family. Students need 10 hours for every year in attendance or a maximum of 40 hours.

- If you are interested in being a bus mentor and get Community Service hours, see Mr. Bolhuis.

Programs

- A Food Truck schedule for families in need is posted in the counseling office and is updated monthly.
- OVHS has a clothing pantry for any students who have clothing needs.
- Remember: the OK 2 Say Box is in the counseling office for any student who wants to report; also text 652729 or go to mi.gov/ok2say if you have something that needs to be reported.
- Come explore how to connect with career opportunities for YOUR future. Learn about career experiences that allow you to test drive a career through visiting local businesses. Sign up in the counseling office, lunch will be provided!
