Dear OVPLA Parents and Guardians:

Welcome to the 2022-2023 School Year. We are getting closer to the first day of school, so we wanted to make sure most families who would like to take advantage of a virtual option in Orchard View had ample opportunity to make a decision that feels right for their child/children in our ever-changing circumstances.

Orientation for students participating in either the fully virtual option (K-12) or the hybrid option (6th-12th) will be as follows during regularly schedule Open Houses for the buildings:

### **Kindergarten-8th Grade Students**

#### **Cardinal Elementary**

Thursday, August 25

4-5pm

Room 509

### **9th-12th Grade Students\***

#### **OV High School**

Thursday, August 25th

9-11am or 1-3pm

Outside Counseling Office

**Please note, you must complete the online demographic update in Powerschool before coming to orientation. We will not give your child a schedule if the demographic update is not complete before you come. If you need assistance completing the update you can call any building main office or stop in between 7-3pm**

**9-12th grade students should still come to one of the in-person orientation days at the high school to get your picture taken for the yearbook and receive your student ID.**

We will be distributing chromebooks for virtual students who would like a school-issued device and you will all receive a tutorial on how to navigate those devices for those who will have learning guides at home who aren't as familiar with the technology as most of our students are.

If you have any questions, please do not hesitate to contact me.
