Dear Parents, Students, Staff and Community Members:

It seems like only yesterday we were sending students home for summer break and making plans for the rest and relaxation that comes with the summer months. I hope this summer has given you the opportunity to spend some quality family time together and that your children are excited for another school year with lots of opportunities to Discover, Learn, and Succeed.

As I am sure most of you are aware by now, our school calendar has undergone some changes for the upcoming year, most notably a pre-Labor Day start for students. The calendar will be explained in more detail at the building level orientations. If you have questions about the school calendar please contact your child’s principal or call the Orchard View Central Office at 231-760-1300.

The summer saw some significant work being done to water lines at both the high school and early elementary, as we begin 10 years worth of building projects that are being funded by the successful Sinking Fund Campaign from last November.

We also had an exceptional turnout at our summer teacher workshop with Knowledgeworks, which was attended by 30+ staff members. Over the course of three days, kindergarten through high school and adult education teachers dug into standards to increase our focus on teaching and learning through a curriculum alignment. Our fourth year of the Summer Acceleration program for students included two sessions that encompassed learning opportunities at the Lakeshore Museum, LST 393 ship, Hackley Library and Gillette Nature Center. Orchard View Middle School was also part of a three district Aviation Camp held at Muskegon County Airport.

We welcomed many additions to our accomplished staff, including grant-funded Hackley Community Care staff, to provide much-needed support to our families. While we are busy preparing for a great start, I truly hope what remains of summer vacation leaves you rejuvenated and ready for the new school year!

The first student day is Tuesday, August 27, 2019. The first three days will be early release days, followed by a 4 day weekend for Labor Day.

As always thank you for being a wonderful community that continues to take pride in the school district and the students who attend Orchard View. I want to wish each of you a wonderful school year filled with great educational experiences, and I look forward to seeing all of our children prepared for future success through the educational opportunities to Discover, Learn, and Succeed provided by the exceptional staff at Orchard View.

Sincerely,
Jim Nielsen, Superintendent

2019/2020 ADVISORY TO ALL PARENTS/GUARDIANS
Pest Management Program

Dear Parent/Guardian

Orchard View Schools and daycare centers have adopted an Integrated Pest Management program. Inherent with this are the District's efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, this program does not rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pest from becoming a problem.

As required by Michigan law, you will receive advanced notice of non-emergency application of a pesticide (insecticide, fungicide, or herbicide), other than bait or gel formulation, which is made to the school, school grounds, or buildings. This advance notice of a pesticide application will be given 48 hours before the application by the following two methods:

1) Posting at the primary entrance to your child's school. The entrances that will be posted are the main entrance and those that have a sidewalk that leads directly to a parking lot.

2) Posting in the common area located by the main office of the school.

Please note that notification is not given for use of sanitizers, germicides, disinfectants or anti-microbial cleaners. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without prior notice to prevent injury to students, but you will be promptly notified following any such application, via the two posting methods identified (above).

You may review the school's Integrated Pest Management program and records of any pesticide application upon request by contacting Jack Timmer at (231) 760-1301 or via e-mail at: jack.timmer@orchardview.org.

Parents or guardians of children attending the school are entitled to receive the advance notice of a pesticide application, other than a bait or gel formulation, by first class United States mail postmarked at least 3 days before the application. If you would like to be notified by mail, please e-mail jack.timmer@orchardview.org - or call him at (231) 760-1301. Please give your name, mailing address and what school(s) you child or children attend, and they will put your name on the advance notification by US Mail list.

MEMORANDUM TO PARENTS REGARDING
SCHOOL BOARD POLICY ON DRUG-FREE SCHOOLS

In accordance with Federal Law, the Board of Education prohibits the use, possession, concealment, or distribution of drugs by students on school grounds, in school or school-approved vehicles, or at any school-related event. Drugs includes any alcoholic beverage, anabolic steroid, dangerous controlled substance as defined by State statute, or substance that could be considered a “look-a-like” controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in the student handbooks, up to and including expulsion from school. When required by State law, the District will also notify law enforcement officials. The District is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which she receives help through programs and services available in the community. Students and their parents should contact the school principal or counseling office whenever such help is needed.

Medicaid Funds Now Available

Through an act of Congress, public schools have the opportunity to use Medicaid funds to help pay for some special education services.

As a result of this act, some services provided to Orchard View students may appear on monthly Medicaid statements under the heading of Muskegon Area Intermediate School District. The MAISD will reimburse Orchard View Public Schools.

A few services Medicaid may help pay for are: occupational, physical, and speech therapy, social work services, nursing services, and diagnostic evaluations.

This will not change the delivery of services of Orchard View students but is a way to offset the increasing cost of services provided by the district.

Our goal remains to provide the most appropriate, highest quality services available. For more information, please call Greg Bodrie, Director of Special Education at 865-4012.
Orchard View Middle School and Hackley Community Care have formed a partnership to offer mental health services for students while they are at school. At the start of the 2019-2020 school year, Hackley Community Care will have an office inside the middle school. Staffed in this office will be a full-time mental health clinician and a receptionist. While traditional school counseling will continue to be available, students in search of support with mental health issues will have another option. Family Education Rights and Privacy Act

There are times (via Freedom of Information Act) when various professional associations, alumni groups, the military services, colleges and universities, citizens, and other similar groups request directory information (information which would not generally be considered harmful or an invasion of privacy if disclosed). The Family Education Rights and Privacy Act provides for this information to be released unless parents or an 18 year old student notify the school in writing that they do not want the directory information released.

Therefore, unless we receive written notice that such directory information is not to be released to appropriate groups or associations, the following information will be provided: name, address and telephone number, date and place of birth, participation in school activities, dates of school attendance, honors and awards, other similar information, e.g. alumni association, height and weight of athletes, honor roll members and information generally found in yearbooks.

Information that will not be released includes grade point averages, report card grades, test results and medical records.

For your convenience the form below may be completed and returned to the principal’s office on or before Friday, September 6, 2019, should you request that such information not be released.

EXCITING NEWS!
FREE SCHOOL MEALS!

ALL K-12 Students Will Receive FREE Breakfast AND LUNCH
Orchard View Public Schools will continue to be a part of the National School Lunch and School Breakfast Program called the Community Eligibility Provision (CEP) for the School Year 2019-2020 and guaranteed through School Year 2022-2023 (Four Year Cycle).

The GREAT NEWS is that ALL students are eligible to receive FREE breakfast AND lunch each day.

Families will not need to complete a Free/Reduced Price Meal Application in order to receive free school meals. However, we are asking that you fill out and sign the confidential Household Information Report, which is needed for administrative purposes, not to determine eligibility.

This survey allows our school to benefit from various State and Federal supplemental programs like Title I, A, At Risk (31a), Title II A, E - Rate, etc. This survey is critical in determining the amount of money the school receives from a variety of supplemental programs. We are asking that you please complete and submit it as soon as possible. It will be included in your orientation packet and will also be available at all front offices.

Without your assistance, the school cannot maximize utilization of available State and Federal funds. For further assistance, please contact the Food Service Department at 231-760-1550 or kayleigh.macomber@orchardview.org

**Mature Memos**

The Orchard View Senior Center has had a busy summer and we are gearing up for another fun filled year.

Our summer started out with our second annual “Gather Together Summer Dinner and Dance” which was held at the Orchard View Community Education Center. It was a great time of music, food and dancing. Thank you goes out to the Silverado Band!!! The Orchard View Senior Center partnered with the Muskegon Area District Library for Afternoon Movies. This was a huge success and will continue this fall! Our Agewell meal site is growing. We added Wednesdays for our meal site. We are now open Mondays, Wednesdays and Fridays. This is a great asset to our senior program! We were the host site for The Senior Community Day which was held at Orchard View High School. The Senior Marketing Group provided an excellent day of information, vendors, food and great times for the seniors of Muskegon County. Thank you to Orchard View Food Service and Maintenance Staff for all their help with this wonderful event!!

Our “Gather Together Dinner and Dance” will start on September 9, 2019 at 6:00 pm at the Orchard View Middle School Cafeteria. Everyone is welcome to come and enjoy a delicious meal, listen and dance to great music. Music will be provided by “Unbreakable Pride”. The cost is $7.00 per person and reservations may be made by calling 760-1493.

We are partnering with Agewell Services for Senior Swim Days that are being offered at the Lake Shore Fitness Center. The class runs Tuesday and Thursdays from 2:00-3:00 pm. Agewell is also hosting Enhanced Fitness here at the Senior Center Tuesdays/Thursdays from 9:30-10:30 starting in September. Registration is required. Please call 733-8643 to register. This program is provided through the Senior Millage Funding with Senior Resources.

We are preparing for our annual Arts and Craft Bazaar that will be held at Orchard View High School on November 16, 2019. The bazaar will be from 9:00-1:00 pm. Last year we had over 120 booths that were filled with great gift ideas and treats. If you are interested in renting a booth at the show please call 760-1493 or 760-1350 to receive an application.

Our senior flyer is published and ready for you. If you would like a copy and are not on our mailing list please show please call 760-1493 or 760-1350 to receive an application.

Please see our flyer for upcoming enrichment classes offered here at the Senior Center. If you have an idea for a class please call the office. We are always looking to add to our enrichment classes.

Now is the time to join us and play bingo, euchre and bridge. They are popular activities and we would like for you to join in on the fun.

Our Lakeshore Wood Carvers Group meets every Thursday at the center. Anyone from beginners to experienced carvers are welcome to attend. Stop by the office and find out how to get started.

Fall sports are starting up soon and Senior Citizen sport passes are available to anyone 60 years of age and older and living in the Orchard View District. You may pick up yours at the Community Education Office.

For a complete listing of all upcoming events please contact the Senior Center office at 760-1493 or visit our web site at www.orchardview.org. I hope to see you soon.

**Whatever It Takes to Build Great Futures.**

**What is Boys & Girls Club?**

Boys & Girls Club is a global nonprofit organization of volunteers dedicated to theSMTP health and welfare of all young people, especially those from disadvantaged backgrounds. Boys & Girls Club offers a safe place for youth to learn and grow, develop positive values and build self-esteem. Each club offers programs and services that are responsive to the needs of the children and communities it serves. Boys & Girls Club is a place where, for a small fee or free of charge, young people of all backgrounds can experience a world of opportunities after school, during the summer and throughout the year. Boys & Girls Club is more than a place, it is a community of hope and endless possibility. Boys & Girls Club is committed to achieving its mission by involving and engaging young people, and then empowering them to reach their full potential as productive, responsible and caring citizens.
