

Last year, Orchard View Schools spent
\$1.68 million
general fund dollars to cover unfunded
special education mandates

To help offset this unfunded gap, the MAISD is placing a **1.75 millage increase** on the ballot.

if approved, the average homeowner would pay
\$88 per year

this millage would return
\$392 per student
each year for the next ten years.

\$861,000
per year

Orchard View Schools will be able to use these funds in a variety of ways to give **ALL STUDENTS** a competitive advantage.

will be distributed to Orchard View Schools each year over the life of the millage.

**STRONG
SCHOOLS**
