DIBELS 8 (**D**ynamic **I**ndicators of **B**asic **E**arly **L**iteracy **S**kills **8**)

OVEE (Orchard View Early Elementary) assesses all students with our school-wide reading screener called **DIBELS 8**. Each individual assessment is timed for one minute. Below is the list of assessments with a brief description.

- **LNF (Letter Naming Fluency)** is the ability to name letters in the alphabet. Your child looked at a sheet of both upper and lowercase letters.

- **PSF (Phonemic Segmentation Fluency)** is the ability to say all of the sounds found in a word. An example word is *"cat"*. Your child should say *"c" "a" "t"*.

- **NWF - CLS (Nonsense Word Fluency - Correct Letter Sounds)** is the ability to correctly sound out letters in make believe words. An example word is *"hap"*. Your child should say *"h" "a" "p"*.

- **NWF - WRC (Nonsense Word Fluency - Word Read Correctly)** is the ability to read make believe words. An example word is *"lum"*. Your child should say *"lum"*.

- **WRF (Word Reading Fluency)** is the ability to read words. An example word is *"and"*. Your child should say *"and"*.
