

This screener (assessment) requires students to read common words, that they should recognize on sight, in order to help them with their reading development. Some examples of sight words are: /you/ /I/ /to/ /and/ /the/ /is/.

Kindergarten Plus students are screened (assessed) on the 1st Grade words once they have mastered all of the Kindergarten words.

Once a student has mastered 225 or more of the 1st Grade words, the 2nd/3rd grade list (61 Words) will be used to help continue build the student's vocabulary list.
